

# ACADIAN GROOVE

## CANADIAN MAPLE PORTER

10% alc./vol. 30 IBUs

Limited Edition Release

- Rooted in basement brewing with his Gramps and bubbling, thick university experiments in zymurgy, our founder, Peter Chiodo, realized his epic vision of craft brewing with the Flying Monkeys in 2009.
- The Flying Monkeys' Mission: Brew Fearlessly. And make beers we love.
- Challenge Normal, because doing it "the way everyone else does it" is just plain Weird.
- Besides love, we use all kinds of other natural ingredients in our beers. Anything fresh and inspiring floating around at brew time is fair game.

**Style** *Acadian Groove* welcomes the changing tempo of Spring in rural Ontario. This amber-lit porter embodies the anticipation of Spring with the dark syrup from Breedon's Maple Farms lending a caramelized creaminess to this full-bodied beer.

**Taste** -- Tantalizing aromas of maple, sweet roasted malts, and slightly earthy hops are layered upon the plump bouquet of split vanilla pods with toasty undercurrents of light coffee and chocolate. The undeniable warmth of this 10% ABV beer embraces the promise of spring with a lingering maple finish.

**Serve With** - Perfect alone -or with any course. Start with creamy cheeses like Brie; fabulous with a main course of ham or robust meats; and even better with desserts like crème brûlée, cheesecake, or hand-churned vanilla ice cream. Hmmm... Beer Floats anyone?

**Drinkers** -- For the craft beer curious and Specialty enthusiasts. Brewed for adventurous patrons desiring a unique Ontario beer experience.

### Why Serve Craft Beer?

- From higher margins to more loyal customers, serving craft beer improves your bottom line.
- On average, Craft Beer Drinkers have a 36% higher bill than other beer-drinking patrons.
- Fresh, local Flying Monkeys craft beer costs 35% less than import macro beer but lets you charge the same per tastier pint.
