- Challenge Normal, because doing it "the way everyone else does it" is just plain Weird.

Mythology

Canadian Golden Pilsner

5.3 % ABV 25 IBUs

BREW FEARLESSLY

Style – Mythology is a modern Pilsner with its roots in the golden Czech-style beer. American style Pilsners are but a pre-prohibition US adaptation of the style by German immigrants, so we claim a Canadian style craft-brewed Pilsner with our classic European malt bill brushed with traditional noble Saaz hops forged by the creativity of the Flying Monkeys.

Taste – An original Canadian craft-brewed Pilsner is exactly what session drinkers and balanced beer lovers crave. Czech-inspired but modernized by the Flying Monkeys, our brilliant Canadian Golden Pilsner pours with a dense white head and lively sparkling body and finishes with a with soupçon of traditional noble Saaz hops.

Drinkers – For craft beer beginners, craft beer lovers, and Pilsner drinkers looking for a food-friendly, original local brew.

Serve With – Pilsners are a great balance to spicy, complex foods, but also bring out the best in simple, sweet desserts. Keeping with the Canadian Golden Pilsner's Eastern European origins, perogies are but one a creative food pairing with this lively, balanced beer.
