

- Rooted in basement brewing with his Gramps and bubbling, thick university experiments in zymurgy, our founder, Peter Chiodo, realized his epic vision of craft brewing with the Flying Monkeys in 2009.
- The Flying Monkeys' Mission: Brew Fearlessly. And make beers we love.
- Challenge Normal, because doing it "the way everyone else does it" is just plain Weird.
- Besides love, we use all kinds of other natural ingredients in our beers. Anything fresh and inspiring floating around at brew time is fair game.

AMERICAN BROWN ALE

BREW FEARLESSLY

Style – Evoking juke joints with hot sonorous blues and cool rich brews, Deep Tracks American Brown Ale is a folksy craft beer embodying the sultry warm soil of freshly harvested fields and the cool humid nights of the coming autumn. A perfect brew for the in-between weather of the coming fall and the throes of autumn.

Taste – Deep Tracks pours an alluvial brown with toasty malts and caramel nuttiness tracking through the clean floral dryness of a subtle Centennial hop finish.

Drinkers – For the craft beer curious and patrons desiring a unique Ontario beer experience.

Serve With – Our American Brown Ale is great alone, but it's also an incredibly food-friendly beer style that improves with any cuisine. Pair this beer with grilled steaks with fresh ground pepper; aged cheeses such as Gruyeres or goat cheeses; and a lovely stand in for coffee with desserts.
