

FLYING MONKEYS AMBER ALE

5% ABV 12-IBUs

Release the Flying Monkeys.

- Rooted in basement brewing with his Gramps and bubbling, thick university experiments in zymurgy, our founder, Peter Chiodo, realized his epic vision of craft brewing with the Flying Monkeys in 2009.
- The Flying Monkeys' Mission: Brew Fearlessly. And make beers we love.
- Challenge Normal, because doing it "the way everyone else does it" is just plain Weird.
- Besides LOVE, we use all kinds of other natural ingredients in our beers. Anything fresh and inspiring floating around at brew time is fair game.

Why Serve Craft Beer?

- From higher margins to more loyal customers, serving craft beer improves your bottom line.
- On average, Craft Beer Drinkers have a 36% higher bill than other beer-drinking patrons.
- Fresh, local Flying Monkeys craft beer costs 35% less than import macro beer but lets you charge the same per tastier pint.

Style – The Amber style is most known as a balanced beer. Patient brewing pays off in the harmonization of lightly roasted, caramelly malts grounded by bright, noble hops.

Taste – This copper-hued, medium bodied beer has a sweet biscuity front with a dense beige head. Underlying its creamy texture are toasty, bready malts with restrained hints of hop bitterness in its beautiful balance.

Drinkers – Amber Ale is easy to drink and refreshing. Great for craft beer beginners and fans of English-style ales yet still appeals to established craft beer supporters.

Serve With – Amber Ale compliments "beer foods" like burgers, pizza, chicken, and spicy Indian, Mexican, and Cajun cuisine, yet has the versatility to pair with charcuterie and tangy, sharp cheeses.
